

## Instrument Loan Program

### Letter of Intent to Care for AAPF Owned Pianos and Equipment

I, \_\_\_\_\_, am the parent or guardian of piano student \_\_\_\_\_, who is a qualified piano student working with a teaching member of AAPF. We agree to take care of the property of the Asheville Area Piano Forum which includes the following items (check which items you are to receive):

- Digital Piano (list brand/model) \_\_\_\_\_
- Piano Bench
- AC Electric Adaptor
- Music Rack
- Pedal Attachment

We know that a deposit of \$25.00, which can be made in 5 payments of \$5.00 per month, or in one payment-in-full at the beginning of the loan period is required.

We understand that the equipment can be in our possession for up to two years if we continue piano study. At the end of that period of time, or if lessons are discontinued prior to that two year period, we will either return the instrument and equipment in good condition and thus receive the \$25.00 deposit back, or, if piano lessons are continued, we may be eligible to keep the piano and equipment.
